

Vaccinate *before you* Graduate

Is your teen up-to-date?

What is Vaccinate Before You Graduate?

VBYG is an adolescent immunization program open to all students in grades 9 - 12. Students should visit their doctors every year for immunizations, however all immunizations that students need are also available through VBYG.

When and where are clinics held?

All clinics are held in school during the school day. Visit the website listed below for the date of the next clinic at your child's school.

How much do vaccinations cost?

There is no out-of-pocket cost for vaccinations. Insurance information will be collected for students, but no student will be turned away for a lack of insurance.

How do I know what vaccines my child needs?

Either contact your child's primary care provider or ask your child's school nurse.

What vaccines are available at these clinics?

Hepatitis A • Hepatitis B • Human Papillomavirus (HPV) for males and females
Influenza • Meningitis • Measles, Mumps, and Rubella (MMR) • Polio •
Tetanus, Diphtheria, and Pertussis (Tdap) • Varicella (Chickenpox)

How do I register my child?

- View the vaccine information statement for each vaccine. Vaccine Information Statements explain the benefits and risks of each vaccine. They are available at the website listed below or can be requested by calling the number below.
- Fill out the enclosed consent form and return it to your child's school nurse or register online (www.thewellcomp.com).
