

Senior Project Proposal Parent/Guardian Consent Form

Student: _____

Attached is your child's Senior Project Proposal outlining all the components of his/her Senior Project. Please take time to discuss the details of the topic and project with your child for feasibility. Your ***initials*** on each of the items below indicate you have read, understood, and approve of each. Your child's Senior Project Proposal will not be approved unless it is accompanied by this form.

_____ I approve of the chosen research paper focus.

_____ I approve of the chosen fieldwork.

_____ I approve the chosen mentor.

_____ I acknowledge that the mentor is at least 21 years old and is not a relative, a household member, or employer of the student.

_____ I understand that all transportation for the fieldwork is the responsibility of the child or parent.

_____ I understand that all costs and risks associated with the project are the responsibility of the child or parent.

_____ I understand that the product must be physically at school as part of the Senior Board Presentation. If the product is a service or activity, it must be documented by photos or a video.

_____ I understand that this is a graduation requirement and that if my child fails to meet all requirements for the Senior Project then he/she will not graduate with his/her class.

_____ I understand that meeting deadlines is a vital part of the Senior Project. Failure to adhere to set deadlines will result in grade reduction and mandatory participation in the Extended School Day program until the assignment is complete. Failure to attend Extended School Day will result in social suspension until the student returns to Extended School Day and completes the assignment.

_____ I understand that integrity and honesty are vital parts of the Senior Project. Any proof that my son/daughter has plagiarized or been dishonest in any aspect of the senior project process may require the completion of an entirely new project. This may jeopardize his/her graduating with his/her class.
