

Senior Project - Project Mentoring Plan

Students and mentors should complete this form together. Both the student and the mentor must sign this form.

Student Name: _____

Mentor Name: _____

Project Topic: _____

Mentoring:

1. Meeting Dates: We plan to meet on the following dates (please be as specific as possible):

2. Fieldwork: The student needs to complete the following work on their own between our mentoring sessions (if applicable):

Final Product: _____

Project Targets: Identify a minimum of 2 product targets, which are certain parts of the final product (please be as specific as possible, including dates by which the target will be met).

Student Signature: _____

Mentor Confirmation and Acknowledgement

I have prepared this *Project Mentoring Plan* with the student, _____, and confirm that I am available to meet with them on the dates listed. I also acknowledge that I have reviewed the student's approved Senior Project Proposal and that the work detailed in their Senior Project Proposal is feasible and, in my estimation, will allow them to complete their product by the product due date.

Mentor Signature: _____ **Date:** _____
